

TBS201710

Product overview

Use this tool box side cabinet to provide safe and convenient storage for your most used tools. Chemical resistant powder coating, smooth powder coating surface is waterproof and easy to clean. The metal tool chest can be opened to load various types of tools, and the space at the top can be used to store daily items. These tool chests can be mounted on rolling tool cabinets, tool carts and workbenches. A secure key lock system keeps your tools safe.

1. The chemical-resistant powder coating is waterproof, rust-proof and easy to scrub.
2. EVA is equipped on the top of the tool chest.
3. The key lock secures your tool chests and ensures safe tool storage.
4. The logo and color of the tool chest can be customized.
